

Looking for flexible import solutions that save you time and money?

Suddath® Global Logistics operates foreign trade zone (FTZ) distribution centers, giving you the ability to improve cash flow while receiving and shipping international goods.

Why partner with Suddath

- 320,000 square feet of activated FTZ space
- Reduced costs, including duty deferral or elimination
- Lower tariff rates for completed products
- Flexible import and export solutions
- Scalability to meet your supply chain needs and financial objectives
- Partnerships with zone administrators and customs
- Access to bonded warehousing
